St Peter's behaviour systems - sanctions

This system is implemented by tutors and the year team. Students are already familiar with this but we reminded them of this on the first day.
3 Lates = After school detention
Repeated Uniform infractions = After school detention

Caution monitoring: Year 8-11 Ratios

Negative events	Sanction

St Peter's behaviour systems - praise

What opportunities are there to praise?

- We as a year group are focussing on the basics – opportunities for House Points for organisation, using the journal correctly and turning up with the right equipment.
- Star of the Week nominations will continue as last year and our displayed in Form assembly.
- Celebration breakfasts termly for nominated students in each tutor group.
- Weekly house point checks in tutor times so students can receive praise from tutors and peers.
- Awards Assemblies at the end of each term for year groups

COVID – Headline changes to the school day

- Please drop off students between 8.30-8.40am when staff will be on duty to direct and ensure year groups aren't mixing. Students go straight to their tutor base from 8.30am.
- Sanitising/handwashing at the start and end of every session. Sanitisers are in every classroom and around the school.
- Separate zones for break and lunch and a staggered school day.
- Staggered lunch times means that late and uniform lunchtime detentions have been replaced with an A/S.

Progress reports

October half term – Full report

Every end of term – Full progress report (Autumn Term full report released in January with mock results.)

- Nothing else has changed with reports – please access them as normal on Go4Schools and to ensure you click on 'view report' as the screen you are initially taken to is not the full report.
- Students will receive **current working grades** and you will see their TAG. This is a **Target Aspirational Grade** for the student to aim for in their GCSE examinations. It is a journey to the TAG, most students should now be 1 grade away.

Targeted reports process

- At each report cycle, those students who are consistently doing what is expected of them will be praised.
- Those who are not doing as is expected OR are academically underachieving might enter the targeted reports cycle. Bottom 10%.
